

CBS Thurles Secondary School

Scoil na mBraithre Christai Durlas

Calves In The Classroom.

Group activities to Date:

ABP and Kepac through the Certified Irish Angus Producer Group have been extremely generous with their time and facilities allowing unparalleled access throughout the competition.

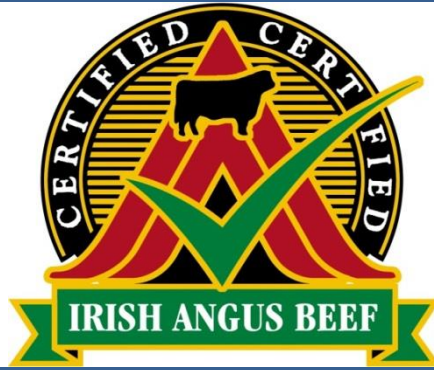

To date we have visited the following facilities and received guided tours of each as a group of finalists.

- Selected as national finalists
- ABP Cahir processing facility
- Castledermot calf rearing unit
- Ploughing championships: three day stand with meet and greet with Ministers and Suppliers.
- Blade Farming Bristol: Two day guided tour.
- Article published in Irish Farmers Journal
- Segment on 'Ear to the Ground' on RTE.
- Visit to Kepak, Clonee.
